[He precedes] them all: [he is pre-principle of] [every principle], fore[thought] [of] every thought, [strength] of every power. [He is faster] <than> [his] [motion], he is more stable <than> [stability], he [surpasses] compaction [as well as] rarefaction. [And] he is deeper than any unfathomable(ness), and he is more [definite] than any corporeal entity, he is purer than any incorporeal entity, he is more penetrating <than> any thought and any body. [Being] more powerful than them all, any genus or species, He is their totality.</p>
